

Dear Parent/Guardian

Due to the amount of materials that your student has to carry each day, I would like to allow them to keep their text book in my classroom. I feel this would keep them from having to carry it back and forth from home to school. If you would like me to give your child this opportunity, please complete this form and return with your son/daughter. Please be advised that if you give approval, your child continues to assume responsibility if his/her textbook is lost, stolen or damaged.

Thank you,

Mr. Vanderpool
